How to Get Started:

1. You must **schedule and complete** a pre-retrofit energy assessment with Energuy before you begin your upgrades.

   Call or Text: 888-442-9577
   Email: office@energuy.com

2. **Complete** at least 1 qualifying upgrade

3. **Contact Energuy** for your post-energy assessment. **Have your paid invoices** for your upgrades ready for your energy advisor to document

4. Energuy will submit your application for your rebates
